

SELECT FORCE

NON-CAUSTIC ENCAPSULATED MACHINE WAREWASHING POWDER

DESCRIPTION

- SELECT FORCE is a non-caustic, chlorinated, machine warewashing powder that can be used in soft to medium water hardness conditions. Because of its special formulation, SELECT FORCE can be used safely on aluminum ware and other soft metals, assuring bright clean ware.
- SELECT FORCE removes dried protein soils effectively and emulsifies and saponifies fats, grease and oily residues.
- COLOR -White powder

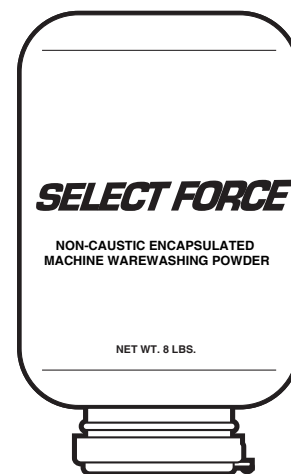

DIRECTIONS

- Use only in a standard 6" bowl detergent dispenser. Pull tab to remove plastic lid and expose screen. Invert capsule and insert container into dispenser. To remove used container, carefully lift container from dispenser. Turn container upright. Use seal from new container to seal the used container. Do not reuse container.

PRODUCT FEATURES / CUSTOMER BENEFITS

- Concentrated / Economical use costs
- Non-caustic detergent / Will not harm aluminum or other soft metal
- Non-foaming / Maintains maximum pump efficiency for best cleaning results
- Self-contained dispensing jar / Safe and easy to use
