

PRIDE  LINE

Solid [☆] PLUS [☆] Brilliant

**FLATWARE PRE-SOAK
AND SILVER DETARNISH**

DESCRIPTION

- SOLID BRILLIANT PLUS is an enzyme activated, moderately alkaline solid designed for use as a pre-soak for stainless steel and silver table service. When used as directed, SOLID BRILLIANT PLUS removes tarnish and stains from silver plate and stainless steel flatware. An excellent pre-soak, it quickly penetrates and saturates soils for their removal.
- **COLOR** - BLUE
- **SCENT** - LEMON

DIRECTIONS

- Use only in a supplied dispenser. Unscrew plastic cap. Invert container and insert into dispenser. Your service technician will set the dispensing to insure proper dilution.
- **Detarnishing silver:** Submerge aluminum foil in solution and place it in bottom of plastic bus tub. Place tableware in contact with foil.

PRODUCT FEATURES / CUSTOMER BENEFITS

- Highly concentrated / Economical use costs
- Water softening agents / Excellent results in hard or soft water
- Self-contained dispensing jar / Safe and easy to use
- 100% Biodegradable / Economically safe
