

# SPEED DRY II

## LOW TEMPERATURE RINSE ADDITIVE

### DESCRIPTION

- SPEED DRY II is a high performance, low temperature liquid rinse additive specifically designed to provide excellent "sheeting" action to reduce spotting, filming of glassware and silverware, and drying time.
- COLOR - Blue

### DIRECTIONS

- This product is automatically dispensed into the dishmachine through a rinse injector. A representative from your chemical department will establish the proper dilution rate depending on machine type and water conditions.

### PRODUCT FEATURES / CUSTOMER BENEFITS

- Highly Concentrated / Economical use costs
- Non-foaming regardless of water temperature / Spot-free drying
- Color coded five gallon container lids / Simplifies installation, minimizes chance for misuse
- Unique blend of wetting agents / Glassware & utensils dry to a sparkling shine
- Phosphate free, 100% Biodegradable / Environmentally safe
