

# BREAK-UP

## LAUNDRY BUILDER/BREAK

### DESCRIPTION

BREAK-UP is an alkali builder used in conjunction with a laundry detergent to remove all forms of soil from fabrics. Contains builders, water conditioners and soil suspending agents.

**COLOR:** Orange Liquid

### DIRECTIONS

This product is automatically dispensed. Use concentration will vary with size of machine, water conditions, soil load and linen type. The proper dispensing rate will be by your specialist.

Never apply undiluted builder/break directly to fabric. Dispense BREAK-UP after fill water has entered the machine.

### COMMERCIAL LAUNDRY MACHINES
