

SELECT FORCE 40

HEAVY-DUTY CHLORINATED CAUSTIC ENCAPSULATED COMMERCIAL MACHINE DISH WASHING DETERGENT

DESCRIPTION

SELECT FORCE 40 is a chlorinated, heavy duty machine warewashing encapsulated powder. It is a free flowing, alkaline cleaner for machine use, and comes in a safe and easy to replace canister. It combines the safety of solids and the effectiveness of powders. Provides soil suspending agents and water conditioners to sequester water hardness. Caustic content 40%.

COLOR: White powder

DIRECTIONS

USE ONLY IN A SUPPLIED DETERGENT DISPENSER

1. Pull tab to remove plastic lid and expose screen.
2. Invert capsule and insert container into dispenser.
3. To remove used container, carefully lift container from dispenser.
4. Turn container upright. Use plastic lid from new container to seal the used container.

Your service technician will set the proper dilution rate.
