

STAIN BUSTER

COFFEE, TEA & WINE STAIN REMOVER

DESCRIPTION

STAIN BUSTER removes specific stains caused by tannin acid products such as coffee, tea, some wines, fruit juice, medicine, liquors and other types of brown and yellow stains. STAIN BUSTER also works to reverse browning caused by alkaline buildup from detergent residue. STAIN BUSTER is safe on synthetic fabric and natural fabrics.

DIRECTIONS

1. Wet fabric before applying product.
2. Apply STAIN BUSTER undiluted over entire stained area.
3. Briefly rub fabric to insure complete contact. Wash in normal fashion.
4. Browning should lighten after a few minutes.

Check spots when pulling laundry. Never dry or iron cloth with spots or stains as this "sets" the discoloration. Pre-test product on all your fabrics to assure it will not damage cloth.

PRODUCT FEATURES / CUSTOMER BENEFITS

- Ready-to-use formula / No mixing of chemicals
- Contains surfactants / Penetrates fabric and lifts soils
- Flip-top caps / Easy application
