

ODOR GONE

DESCRIPTION

ODOR GONE contains selected strains of natural enzyme producing bacteria. ODOR GONE eliminates obnoxious odors by digesting the odor source; organic waste.

DIRECTIONS

Use this product as is, no dilution required. Ventilate treated areas.

BATHROOMS / URINALS: Clean normally and then wet the effected areas by either mopping or spraying.

GARBAGE AREAS: Clean normally and spray the garbage can and surrounding area. Repeat daily until odor is eliminated.

CARPET: Saturate the carpet with a fine spray or shampoo machine.

GREASE TRAPS / SEPTIC TANKS: For initial treatment, pour 1/2 gallon into drain line leading to trap/tank. Then use one quart per week for maintenance. Apply at the end of the day.
